Sub : Applications for National Incentive Awards - regarding

Sir/Madam,

It is very disheartening and disappointing to note that barely 05 applications were sent to Regional Office for selection for National Incentive Award. The circular was sent to Vidyalayas as soon as it was received from KVS Hqrs with the instructions that Principals should display it in the staff room and circulate among staff.

If Principals think their duty is only to circulate the KVS letter and keep mum, it reflects on their poor attitude of appreciation of work of their teachers..

Non-forwarding of applications, presents a picture, that there are no teachers in the region who are doing good work, who should be motivated to fill application forms for Incentive Award..

The Principals have failed to spend some time and encourage teachers to apply for the Incentive Award being given by KVS. Encouragement, guidance would have helped many a teachers to apply for the award and win recognition.

This shows scant respect towards the Incentive Awards initiated by the KVS to recognize the efforts of deserving teachers.

This attitude of negligence towards letters of KVS and its schemes is being viewed very seriously and it is hoped that it will not be repeated in future.

Yours sincerely
